

Literacy

In Literacy this term we will be:

- Writing Instructions using command verbs and adverbs
- Story writing focussing on Traditional Tales
- Character descriptions using expanded noun phrases
- Reports using questions for subheadings

Art

Artist/illustrator - Quentin Blake -
We will be focussing on these skills in Art this term:

- Drawing using pencils, pens and oil pastels
- Paining using long and short brush strokes to create texture.
- Digital Art
- Paper collage developing careful cutting and appropriate paper selection.

Science

In science this term we are learning about animals including humans. Children will learn about the lifecycle of a frog. We will also learn about what animals and humans need to survive and stay healthy.

Maths

In Maths this term we will be learning about:

- Measures - Length, height, mass & volume
- Telling the time
- Arithmetic

Geography

For our Geography this half term, we are learning about compass points and using them to navigate a map. Children will investigate features of seaside towns as pre-learning for our summer seaside visit.

PE

In PE we will be focusing on basketball.

Computing

In computing we will be learning how to create digital music.

PSHE

In PSHE we are learning about The World of Drugs. Children will learn about medicines and safety.

RE

In RE this half term we will be looking at how different religions show they care for people in their families and the wider community.

Music

I am a Musician - The children will be learning to play the glockenspiel and leaning to play 2 notes (extending to up to 4 notes) in time to music or the class.

Focus Books

Georges' Marvellous medicine
Revolting Rhymes (3 Pigs and Red Riding Hood)
