

Literacy

In Literacy this term we will be writing:

- a persuasive letter to go to the seaside.
- seaside poems
- a recount from our day trip to Filey
- a newspaper report about Grace Darling.

Maths

In Maths this term we will be learning about:

- Arithmetic
- Solving problems
- Reasoning about maths
- Reciting our 2, 5, 10 and 3 times table and related division facts.

PE

In PE we will be focusing on athletics and rounders.

Computing

In computing we will be learning how to design and create programs.

PSHE

In PSHE we are learning about feelings and changes as we get older.

RE

In RE this half term we will be looking at different leaders of faiths and how they can inspire us.

Art

Artist - Alexandra Kehayoglou

We will be focussing on these skills in Art this term:

- Weaving seascapes
- Observational drawings using pencils, pens and oil pastels of fish and shells.
- Paining using long and short brush strokes to create texture – stormy sea
- Creating a 3D clay tile – crabs.
- Paper collage developing careful cutting and appropriate paper selection for seascapes.

Year 2 Besides the Sea

Science

In science this term we are learning about animals and their habitats. Children will learn about habitats and micro habitats. We will also look at food chains and how animals depend on each other..

Geography

We will identify the human and physical features of seaside towns during our summer seaside visit. We will describe places using new vocabulary and use compasses to direct and locate.

Music

By the sea– Children will be learning to sing a sea shanty whilst keeping the pulse, marking the strong beat, and responding to pitch changes.

Focus Books

Our author this half term is Jeanie Willis.
