

# **SEND Provision at Thurcroft Infant School**

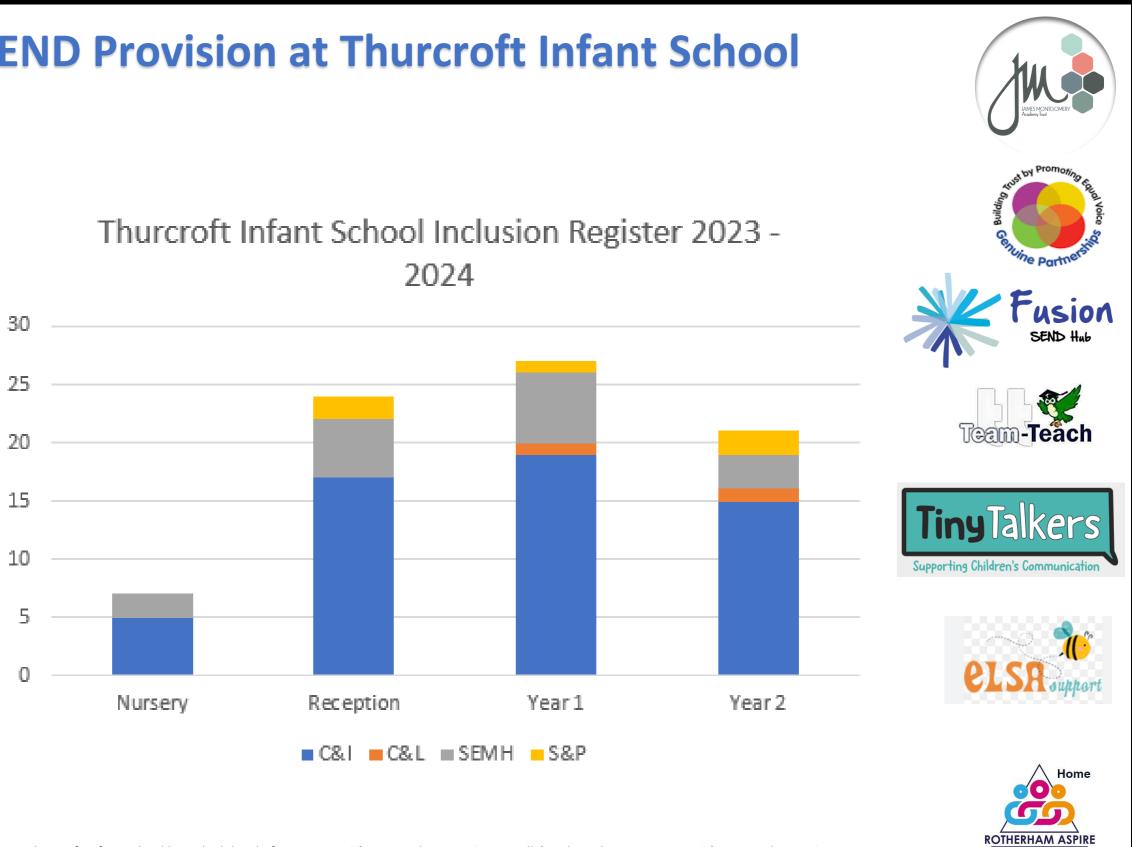

## School Staff Expertise

• SENDCo

 $\square$ 

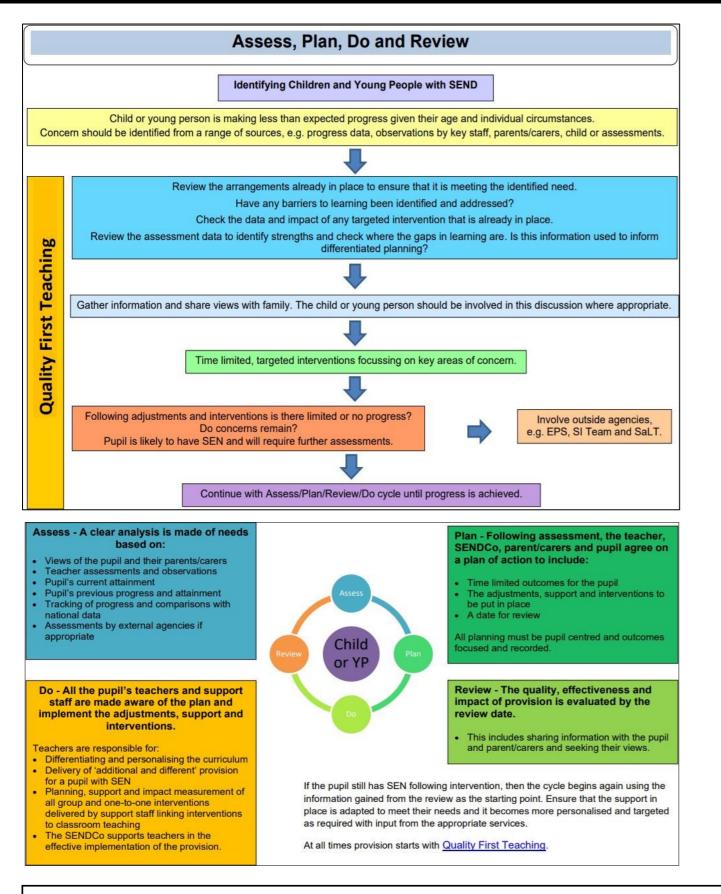

- Assistant SENDCo
- Pupil Wellbeing and Family Support Worker
- Playground Leader
- Sports Coach
- Staff skilled in the delivery of speech and language programmes
- Qualified Speech and Language Therapist
- Staff skilled in supporting autism and neurodiverse conditions
- Team Teach trained workforce
- Trauma informed practice throughout school

# 2024

Thurcroft Infant School has a high level of SEND at 31% (compared to 17.3% nationally) and Pupil Premium at 32% (compared to 23% nationally). 26% of our SEND students are also Pupil Premium. We have 1 child with an EHCP in school and 3 in process, our attendance is 94%. 58% of SEND children are males and 42% are female.

**Intent**: At Thurcroft Infant School, our unwavering commitment is to foster an inclusive environment where every child, including those with additional needs, thrives. We firmly believe in early intervention as the cornerstone of our support approach. We understand that the key to success lies in identifying and addressing the unique needs of our children and their families as early as possible. Our foundation is built upon Quality First Teaching, which we offer to every child. This ensures that the essential building blocks of learning are in place for all children. Recognising that some children may require additional support, we have integrated a graduated response into our whole school practice. This responsive approach allows us to tailor our support to meet individual needs effectively. Our commitment extends to collaborative partnerships with parents. We continually assess, plan, implement, and review our teaching and learning strategies, working closely with parents to ensure the best possible outcomes for every child. Through our collective efforts and unwavering dedication, we have an environment where every child can flourish, learn, and grow, regardless of their unique needs or challenges.

### Impact: As a result, children at Thurcroft Infants School:

- Feel safe, supported, respected and happy.
- Behave well and are successful ٠
- Children are hardworking and strive to do their best.
- Make good progress from their own starting points due to quality first teaching and the adaptations made to meet their needs.
- Leave our school equipped for the next stage of their learning journey.
